Wichita and Galveston.

PRATT. KANSAS.

WICHITA MARKETS.

Receipts of live stock at the Union Stock Yards for 24 hours-79 cattle 789 hogs. The cattle receipts were light, not being enough to supply the demand. Good cattle sold at strong prices. The demand is greater than ever for stockers, feeding steers and good fat butchers' cattle. The receipts of hogs were quite liberal, but not nearly enough on the market to meet the demands of the packers. The trading throughout was done on a basis of \$3.92 1-2. The market closed strong.

which have telephone connection rely so thoroughly on the Eact#'s live stock reports that they often call up the office late and ask what the market has been for the day and what the prespects are for tomorrow. A shipper called for such information. Outs-Were understely active and the tendy early April closed week and a tendy early April closed week and a

preciation of the Wichita live stock mar-And thus it is the EAGLE and the Wichita live stock market are becoming more solid with the shippers and stock raisers of the

Even with cartle, it will be found that a seril of common stock, if well cared for, will bring a better return than the best

selves.

There is much in the breed there is much in the feed, and there is more in the feeder than either. A good feeder will do fairly well with a good breed and poor feed, or with most feed and a poor breed. But a good feeder putting good feed into a good breed is the acme of protection in dairwing.

The number of sheep in the United States January 1 is reported at 44,226,672 head, against 42,500,679 head in 1889, and 42,344, 155 head in 1888.
